

CONTRACT

Organizer:

Salomon Helperin solo-playing without compensation outside Sweden.

At the performances where I and the organizer have agreed that AlphaOmega Music AB will not charge / invoice and the organizer will instead give a gift to Chabad, the following also applies:

Finance:

1 The organizer will pay for the flight ticket and hotel.
My agent AlphaOmega Music AB sends an invoice in advance for the hotel cost and buys the current flight ticket.
The organizer receives a copy of the flight ticket when it is purchased.

2 The organizer pre-orders a hotel room and sends a copy of the hotel reservation two weeks before the performance.

3 The organizer regulates the gift to Chabad after the performance and sends a copy of the payment. (Does not apply to Chabad members)

4 If it concerns a Jewish wedding, Bar-Bat-Mitzvah in ex Israel, US, I am just as happy to live at home with family or their friends.

If I live in someone's house/apartment, I have my "morning routines" 7 days a week. (even Shabbat)
